

STABLE INVESTMENT – FLEXIBLY INVESTED

Valuables with growth potential

WWW.KOOS.DE

Stability, Solidity, Seriousness – Values we feel committed to pursuing.

Gold and precious metals represent the epitome of lasting value and people today are seeking them in ever greater numbers.

Dear Sir or Madam,

Established in 1980, our company KOOS Edelmetalle has become exceptionally well known in the industry for its seriousness, solidity and uncompromising quality over the decades.

As a family-owned and operated medium-sized company, we maintain direct, personal contact with our customers and address their wishes quickly, easily and individually thanks to our flat hierarchy.

Best regards,

A handwritten signature in blue ink, consisting of stylized, flowing letters that appear to be 'S-M Koos'.

Sven-Michael Koos

- Delivery from warehouse of orders starting with 1 piece, within 24 hours
- POS sales support using advertising materials
- Three eye-catching advertising lines
- Customer portal with comprehensive online shop

Timelessly enduring – forever fascinating.

Since time immemorial, gold has been the most fascinating investment product in the world. With unbeatable constancy, the potential to appreciate in value is still an interesting alternative for many investors today who wish to diversify their assets.

Fine Gold

KOOS offers a broad range for flexible investment. Our Umicore fine gold bars have a fine gold content of 999.9 thousandths – pure gold!

The sizes of these bars makes them a suitable investment form for everyone, no matter how large the investment volume. Investment gold can be purchased tax-free within the European Union.

**THE PURENESS AND WEIGHT OF OUR BARS IS GUARANTEED BY THE GLOBALLY
OPERATING PRECIOUS METAL COMPANY UMICORE SA/NV (BELGIUM).**

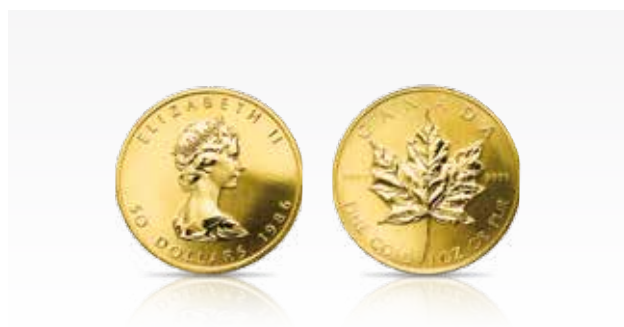

(Certified by the London Bullion Market Association (LBMA))

Investment coins

Krugerrand

The Krugerrand is the best-known investment coin and currently holds the largest market share among all bullion coins. It has a fine gold content of 91.66 %. Investment gold can be purchased tax-free within the European Union.

Maple Leaf

The Maple Leaf is the strongest-selling investment coin after the Krugerrand. It has a fine gold content of 99.99 %. Investment gold can be purchased tax-free within the European Union.

Precious metals with great estimation.

Silver and the more recently coveted precious metals platinum and palladium are investment assets with enormous potential growth thanks to their global demand.

Fine Silver

After gold, silver is one of the most popular types of investment.

Umicore fine silver bars feature fine silver content of 999.9 thousandths.

Fine Platinum

Platinum is also becoming increasingly more interesting to investors nowadays.

Umicore fine platinum bars feature fine content of 999.5 thousandths.

Fine Palladium

Palladium is also drawing more and more attention from many investors.

Umicore fine palladium bars feature fine content of 999.5 thousandths.

Fine Gold Investment Card (1g)

The attractive gift idea. Enduringly stable value, ongoing security and the fascination of pure gold. KOOS now offers these unbeatable benefits of gold investment in a version that's as small as it is wonderful: as a 1g Fine Gold Investment Card that comes attractively gift-wrapped upon request. This is a particularly affordable gold investment and a gift idea of enduring value.

METAL · GOLD | WEIGHT · 1G | PURITY · 999.9

Fine Gold CombiBars™ (50g)

Divisible gold. Here's an innovative option that meets all desires for a flexible, comfortable gold investment: the 50 g Fine Gold CombiBars™. The CombiBars™ system allows you to separate the individual (1g) pieces at predetermined points to create your own smaller volumes. There are many occasions, such as inheritance and emergency issues, when having small units is inestimably valuable.

- Easy to separate
- Available in partial volumes of 1g pieces
- Flat format makes them easy to store
- Highest quality: 999.9 fine gold content
- Corresponds to LBMA standard
- Investment gold can be acquired in the EU tax-free
